

Senior React JS Frontend Developer / ReactJS Expert (m/f/f) – Fulltime – Munich

As a **ReactJS Expert** or a **Senior ReactJS Frontend Developer** (m/f/d) at MessengerPeople you will be primarily responsible for developing our products further. With your know-how, you actively work with us to develop future-oriented technologies.

We are the **MessengerPeople!** Every day we look forward to working with our customers on innovative and professional communication over WhatsApp and Co. Our success comes from our teamwork, creativity, efficiency, and knowledge. Our team is made up of over 60 people from 12 countries, with diverse experiences and backgrounds: together, we share of a vision of continued success for MessengerPeople.

Each day here is new and different. We can't offer you an average office job – instead, a diverse field of tasks awaits you, offering you the flexibility to develop professionally and personally. We give you the chance to work between different departments, to try out new areas, and to grow entrepreneurially.

Your Responsibilities:

- Frontend development for our new customer service platform with React+ReduxM
- Participation in our user-Centered design process
- Designing UI interactions and animations
- Definition of necessary REST API calls
- Participation in the development process

Your Background:

- 2+ years of work experience
- Advanced knowledge of Node.js, React, Redux, HTML5 und CSS
- Successful implementation of projects using React
- Experience with agile approach
- Optional: experience with Git
- Business fluency in English and German
- Give us a call and discover how you can fit into our team! Exciting opportunities are waiting for you.

What We Offer:

- Interesting goals and insights in an innovative and quickly-growing environment
- Creative freedom, encouraging your ideas and engagement
- Great prospects, a quick learning curve, and excellent contacts
- A highly motivated and international team

Are you interested? We look forward to hearing from you!

Please send your CV to jobs@messengerpeople.com with your availability and expected salary.
