

Legal Assistant / Legal Specialist (m/f/d) - Focus on IT Law, Data Protection, international contracts

We are looking for a Legal Counsel (m/f) for our Business Team in Munich, close to the Theresienwiese.

We are the **MessengerPeople!** Every day we look forward to working with our customers on innovative and professional communication over WhatsApp and Co. Our success comes from our teamwork, creativity, efficiency, and knowledge. Our team is made up of over 60 people from 12 countries, with diverse experiences and backgrounds: together, we share of a vision of continued success for MessengerPeople.

Each day here is new and different. We can't offer you an average office job – instead, a diverse field of tasks awaits you, offering you the flexibility to develop professionally and personally. We give you the chance to work between different departments, to try out new areas, and to grow entrepreneurially.

Your Responsibilities:

- Preparation and maintenance of standard contracts and terms and conditions in the SaaS industry – in which you can put excellent written skills in German and English to use.
- Assisting employees and management in all legal questions, specifically about data protection, IT, and internationalization.
- Examination and negotiation of complex contracts in the field of IT law and other areas of law, in an international environment
- Legal assistance and support for internal projects
- Preparation of company policies for new laws / jurisdiction and support for legal working groups
- Management of external lawyers and implementation of internal training courses and workshops

Your Background:

- Interest in the aforementioned areas of law and experienced with German law
- Specialist in the field of data protection and IT – as well as a generalist interested in working in other legal fields
- Business fluent English, excellent German and English correspondence, and ideally experience with the US legal system.
- Confident and communicative approach as an intermediary between different departments, IT and legal
- IT affinity and entrepreneurial and customer-oriented thinking
- Goal and results-oriented approach and creative approach
- Excellent MS-Office skills (Outlook, Word, Excel)

What we offer:

- Interesting goals and insights in an innovative and quickly-growing environment
- Flexibility, encouraging your ideas and engagement
- Great prospects, a quick learning curve, and excellent contacts
- A highly motivated, competent, and international team

Are you interested? We look forward to hearing from you!
Please send your CV to jobs@messengerpeople.com with your availability and expected salary.
