

CHECKLIST

With this tips you reach more users for your WhatsApp service!

1) Share your WhatsApp number!

Where do you have touchpoints with your (future) customers? Think of for example:

- Billboards, brochures, flyers, customer magazine
- Answering Machine & Queue "You can also write us a WhatsApp"
- Shop windows, waiting area, display stands, exhibition walls
- Website & App (everywhere where users would search for contacts!)
- Social Media, portals & e-mail (newsletter + signature)
- Documents such as offers, invoices or receipts
- (Regional) ads such as radio advertising, daily newspapers, TV
- Product packaging and shipping packages

2) Use the MessengerPeople widget on all websites!

3) Use your WhatsApp QR Code on all documents

4) Facebook, Google & Instagram advertising with Click to Chat
