

Help wanted!

MessengerPeople is one of the pioneers in the field of messenger services and today the leading software-as-a-service provider for messenger communication & chatbots. With our solution, companies use the most popular messengers, such as WhatsApp, Facebook Messenger, Apple Business Chat, Telegram, Viber and Co professionally and securely.

Since September 2021, we are part of Sinch! The Swedish, listed company connects businesses and customers worldwide via mobile messaging, voice and video telephony.

Our customers include eight of the ten largest U.S. technology companies. Today, we count over 4,000 employees in more than 60 countries.

You want to make us even better? Let's go for it!

Our Controlling and Finance team urgently needs reinforcement! Growing tasks, increasing internationalization and our focus on fast scaling software drives us.

For our headquarters in **Munich** we are looking as soon as possible for a

Controller (m/f/d)

You are part of the existing Controlling and Finance Team and contribute significantly to the management of the day-to-day business.

Your Tasks

- Preparation of analyses and reports with derivation of relevant financial ratios
- Co-design and further development of existing controlling processes and procedures including further development of the reporting system
- Collaboration in the preparation of monthly and annual financial statements according to HGB and IFRS
- Reconciliation of accounts receivable and accounts payable in cooperation with the tax office
- Interface function in cooperation with our international group companies
- Control, audit and optimization of internal accounting processes
- General support in accounting relevant tasks such as booking of accounts receivables and payable payments, customer communication or other accounting related topics

Your Profile

- A successfully completed degree in the fields of economics, business administration or comparable studies with a focus on controlling, finance, accounting. Alternatively, you have completed a comparable commercial training.
- Several years of professional experience in Controlling
- Good knowledge of HBG and IFRS
- Analytical and structured thinking as well as strong numerical affinity
- Strong communication and teamworking skills
- Structured, independent and self-reliant ways of working
- Very good knowledge of MS-Office especially Excel. Knowledge in SQL is a big plus!
- Very good knowledge of German and English in writing and speaking

What you can expect

- Many exciting topics, a successful product and a growing, global company - there is plenty of room for you and your ideas!
- An international and highly motivated team. Hands on spirit drives us!
- Cool office near Munich central station. Hybrid work possible!
- Regular team events from Winter fun to hiking weekends in the Alps!
- Flat hierarchies, short decision-making processes and a trusting and open corporate culture!

Apply now and become part of our Controlling and Finance team! We are looking forward to you, your ideas, your curiosity and above all your personality!
